MEMORANDUM:

Ottawa, 30th July, 1913.

Ref. No. 69113
172299

Re.position of S.E.¼ 36- 56- 7- W.5th
comprised within loop of Pembina River,
containing 84.2 acres, shown coloured
green on sketch beneath, marked "vacant"
in records of this Branch.

The Agent of Dominion Lands at Edmonton was instructed in March last, to obtain a Homestead Inspector's report in regard to the applications of George E. Colwell and George G. Boyce, to purchase the S.E.¼ and the N.E.¼ of the above fraction in connection with their respective homesteads adjoining.

In the meantime, however, Mr. L. Prescott Boyce applied to the Agent to make homestead entry for the fractional quarter section under consideration, transmitting with his application written statements from the said applicants to purchase the land, withdrawing their applications.

The following report has been received from the Homestead Inspector:-

"Mr. Boyce lived with his father on S.E. 36, in "57, 7, from spring 1908 to spring 1913, when he abandoned in "favor of the C.N.R.Railway in July, 1911. As both G. Col- "well and G.G.Boyce have withdrawn their applications to pur- "chase, I think Mr. L. P. Boyce should be allowed to file on "the above fraction as a homestead." The land is more use as a homestead than any other purpose.

Unless you consider that the parcel should first be posted, there would appear to be no objection, under the circumstances, to permitting Mr. L. Prescott Boyce to make homestead entry.

N. O. Cote, Esq., I.S.O.,
Controller.

(2.) ~~That I have not heretofore obtained an Entry for a Homestead on Dominion Lands.~~

(4.) That this application is made for my exclusive use and benefit, with the intention of my residing upon and cultivating the said land, and neither directly nor indirectly for the use or benefit of any other person or persons whomsoever.

Re: Account of John Wm. Backues
S.E. 2-11-15 W. 4.

The matter of an application for an allowance of indebtedness outstanding against the above-named party is referred to you, constituted as a [illegible] with such cases. Having completed an investigation now in a position to report as follows:

In 1915 fodder and relief amounting to $[illegible] were advanced to John Wm. Backues on the [illegible] S.E. 35-10-15 W. 4 and the S.E. 2-11-15 W. 4. A payment of $121.70 was received in 1923 and applied to the [illegible] and interest. On the 30th of August 1923, authority was issued releasing the S.E. 2-11-15 W. 4 as security for liens and the balance of the indebtedness has since been carried as a charge against the N.W. 35-10-15 W. 4. The present standing of this account is:

Principal	Interest	Total
$171.50	$330.20	$501.70

The N.W. 35-10-15 W. 4 was formerly the property of the Taber Whose entry was cancelled [illegible] July 1923, and the land is still unalienated Crown land in the right of the Province.

This quarter section is of low assessed value and is described as suitable only for pasture.

The land now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, is apparently included in a grazing lease issued in the name of Mr. Peter Engleson, of Taber, Alberta. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

Re: S.W. ¼ of 7-15-19 W.4th Meridian.

I beg to advise you that the Agent of Dominion Lands at Calgary has forwarded to this office your application for patent for your pre-emption, above described, executed before him on the 26th of July, 1918 and I am to advise you that as your application does not disclose sufficient cultivation duties to have been performed, and as it still lacks the evidence of one witness, it will be necessary for you to appear at this office and complete a new application for patent when you can show that you have 80 acres of breaking, 50 of which have been seeded to crop, in any one year. I am to point out that your entry is liable ~~for~~ to cancellation for failure to complete your application for patent within the time allowed by the regulations.

I am to refer you to a letter sent you on the 29th March last by the Agent of Dominion Lands, Lethbridge, in connection with your application for patent for your pre-emption, the above described land and in which you were asked to execute a new application for patent in which you could show that you had eighty acres of cropping, fifty acres of which have been seeded to crop in any one year.

It would appear that you have not taken steps to satisfy the Agent in this connection, and I am to ask you to inform him within thirty days as to your intentions in this connection.

I am also to call to your attention that you have held the above land under entry since October, 1903. The entry is therefore liable to the institution of cancellation proceedings for failure to make a successful application for patent within eight years from date of entry, and the Agent of Dominion Lands is by copy of this letter being instructed to inform the Department upon failure to hear from you in this connection.

Commissioner of Dominion Lands,
Ottawa,

Dear Sir:

Re S½ 2-7-21

I have your letter of 25th ult. and in reply would say that I am writing the Secretary of the Soldiers Settlement Board at Ottawa asking for an extension of time for the completion of my homestead duties, and hope to receive favourable reply.

I shall write a few words to you when I have some definite information to give you as to what the Soldiers Settlement Board will do in the matter.

Since my sickness occurred in the spring of 1926 I have been unable to do any work on the land, and have had to employ help to do the seeding, and other chores. I have also had to assume responsibilities like all the rest of the returned soldiers.

Re: S.W. 7-15-19 W4th Mer.
Pre- mption - Edward J. Lowe.

I beg to acknowledge receipt of your letter of the 17th instant with reference to your entry for the land above described. You have, no doubt, in your possession the annual statement issued by this office under date of October 5th, last, which shows $850.02 as due on November 1st, 1929. To this amount should be added interest at 7% on $426.00 from November 1st, to date of payment.

By referring to the file in connection with this land I find you were granted entry on October 8th, 1908 and although you have held this land for over 21 years there is no record of any payments having been received since November 10th, 1910 when you made a payment of $24.00.

By the second paragraph of your letter you state you wish to be advised whether the Dominion Government was assisting any of the delinquent homesteaders by making them a loan enabling them to pay off the amounts owing on the Pre-emptions. From your letter it is not clear what you wish to convey. I understand that farm loans are being granted by the Government of the Province of Alberta. There is, however, no means by which you can secure a loan from this Department, in order that you may make payment of the amount due on your Pre-emption.

I would refer you to the Departmental communication of November 22nd, 1928 with reference to the cancellation proceedings which have been instituted against this entry on the grounds of an unpayment. It would appear to be in your interests to take immediate action and to advise me by return mail as to your intentions regarding this land as it is not the wish of the Department that the matter referred to remain as at present for a further indefinite period.

Dear Sir:

I have been carrying on a correspondence since receiving your last letter in an effort to make arrangements for a settlement on account due on a timber quarter section. I shall be making you report in the near future as I have not as yet completed said arrangements. When I should be able to work the land in a good season I could clear off the underbrush. In view of the fact that even though I was on a new month it would be impossible to do a thousand dollars worth of work and interested in this, I note by the next mail. E.S. Lowe

Dear Sir.

I received a letter from your office dated June 28th requesting me to reply within thirty days stating what my intentions were regarding payment of funds due on my pre emption grant section 12. the S.W. 1/4 of sec 7 twp 15 range 19 W of 4th Mer. You granted a mention a letter sent in by myself last March in which I had expected to be able to satisfy your office by a remittance.

I have to advise at the present, due to my lack of funds and inability to negotiate a loan as I had hoped to do upon writing last spring, I am unable to make a remittance.

I do however petition your department to hold any cancellation proceedings, if such are pending, in abeyance for the time being. If there can be any method or manner by which I can satisfy the claims of your office I shall soon be doing so. As I have not had a reply from one or two important letters sent out by me upon the receipt of yours of the 28th of June. Because of this and because of serious cancels for [illegible] dollars and be back a day and then upon returning to Calgary [illegible]

Re: Account of Edward Joy Lowe
S.W. 7-15-19-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $51.00 was advanced to Edward Joy Lowe on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 51.00	$ 121.51	$ 172.51

The S.W. 7-15-19-W4 was formerly the re-emption entry of the debtor whose entry was cancelled and the land is still unalienated Crown Land held in the right of the Province.

T is quarter is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.
